CLUB DAYS

As you may know our long standing member Chris Roberts has moved overseas. He will be missed by all but especially by those who attended club days where he organised everyone every week unflinchingly.

Linda Brown, the Club Captain, has taken the helm at club days and is using the board and disc system again. We look forward to more people coming along and making club days into bigger events. We really would like to see more ladies venturing out too !! Come down and give it a go. It is a good time to come along and have a practise for interclub too.

PAYMENT OF FEES

Please remember to put your surname as a reference if you are paying by internet. We are trying to track down a few payments that had no reference name next to them.

Thank you
The Committee
