New coach needed

It is with mixed emotions that we announce that we will be losing the coaching services of Julia Sim from July due to her being pregnant. Congratulations Julia! But we are going to miss you and all you have done for the club over the last few years. We all wish you well. In the mean time we need to find a new coach, and to this end an advertisement has been placed in the NZ Herald, and on the Auckland Tennis website. Our aim is to have a new coach appointed by the end of July. However, Julia advises that although she will be leaving the position of coach she will still be at the club, not only playing but also helping especially with the junior organisation etc. There should be little change noticeable.

Senior male members needed

We would like to increase the number of males playing senior interclub tennis at a high level. If anyone knows of very good players that we could entice to become members, please advise one of the committee.

Notice of AGM 27 July 2003

The annual general meeting for 2003 will be held at the Clubrooms Rogers Park on 27 July at 9.00 a.m. Note the early start so that those playing interclub can get to their match on time. An agenda and formal notice will be sent closer to the date.

Fisher Cup & Cucksey Shield

We would like to thank all those players who represented the club in the above recent competitions. We came 2nd in the Fisher Cup, and 3rd in the Cucksey Shield.

BBTC wins ATA Tennis Club of the Year

At a recent meeting of the ATA it was with surprise that our representative received the above award. The award was won because of the following; the number of wins overall by all our teams in Interclub tennis, for increased membership, ongoing club improvements, attendance at meetings and general efficiency from junior through to senior organisation including midweek ladies.

Also the Mid week Ladies won Club of the Year at their prize giving too! This was for results only. We entered five teams, three of which won and two of which came 2nd! Well done!

80 years and still going strong

Vic Woods recently celebrated his 80th birthday. Well done Victor and we wish you good health so that you can continue to enjoy our great game of tennis.

As we go to press there is a power crisis looming, please restrain the use of lights in clubrooms & only use the floodlights when a reasonable number of players are on court.
