NEW SECRETARY NEEDED

Due to other commitments and future plans I have decided not to stand for committee membership at the conclusion of the club's financial year in July. This will mean that the club will need a new secretary. Please give careful consideration in helping the dedicated people on the committee that give of their free time to help manage the club we all enjoy.

BALL MACHINE

We are pleased to advise that we have a second Tennis Tower ball machine courtesy of a grant from Century Foundation. Those interested in using this machine should speak to Julia Sim, John Mole or a committee member.
