### Notes for your calendar

#### **Tennis & Chinese dinner evening Saturday 16 October at 6.30pm**

Fancy a fun evening with some social tennis followed by delicious Chinese cuisine from the famous Golden Treasure restaurant in Howick at only \$10 per person? If so put the above date in your calendar now or better still contact Stella Cummins phone 534 9463 to make your booking as numbers are limited. The plan is to have some fun tennis starting at 6.30pm followed by dinner at about 8.00 pm. If you would just rather have the dinner then there is no obligation to play tennis beforehand.

#### Subscriptions

These are now over due! If you have not paid then do so quickly to Joan Kelly.

New gate keys are also available from Joan - phone 5348170. Please observe the honesty box system for non members

#### Night Tennis

The fun Thursday night team tennis starts on 4th November. Those interested should contact Julia Sim on 537 4372, or David Brown on 535 7393.

#### Lost Property

We plan to clear out the lost property box at the tennis club soon. If you have lost anything over the last year please ask to see what we have before we dispose of it to charity next month.

### Sponsorship of Caro bowl teams

We are pleased to announce two new sponsors for Caro bowl teams. Birthcare has taken sponsorship of the Ladies Caro bowl Team, and Price Voulk McCarthy lawyers have sponsored both the Men's & Women's Caro Bowl reserve teams.

The club is very appreciative of the assistance from our two sponsors and would ask that members support them where possible. Roy Younge can be contacted on 374 0800 and Rob Voulk 262 3682.

### Tennis question & answer

**Q.** If you hit a drop shot that bounces on your opponent's side of the court and has enough backspin to comeback over the net to your side without your opponent touching the ball, who wins the point? **Answer:** - You

**Q.** If a point is played starting on the wrong side of the court (ad vs deuce side), the point is lost by your opponent, and then your opponent realises that the point was played on the wrong side. Your opponent tells you that a let should be played since the point was played starting on the wrong side. What is the call? **Answer** - the point stands and the game continues on the correct side of the court according to the score.
